

Support Kidney Camp!

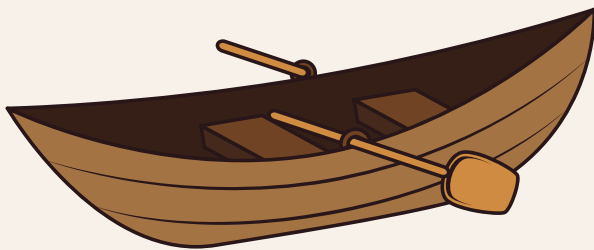

of Louisiana

WHAT IS KIDNEY CAMP?

Children are our future, and the skills learned and relationships fostered at camp are often life-changing stepping stones on the road to adulthood. Children come to camp from all walks of life, eager to learn, yearning to make new friends, ready to take on new challenges and discover gifts they didn't know they had.

The National Kidney Foundation of Louisiana believes the benefits of the camp experience are priceless, but we also realize that parents' pockets aren't bottomless. The NKFL also believes there is a camp for every child and every budget, and we want to show you the opportunities available to help fund a child's camp experience.

The National Kidney Foundation provides camp scholarships for families who may not be able to fund a camp experience for their child. **NO CHILD IS TURNED AWAY!** Camp Shining Stars is open to Louisiana children who have chronic kidney disease, are on dialysis or whom have had a transplant.

We believe strongly in the value of the camp experience and want to ensure that every child has the opportunity to attend camp. This is why we have established the **Send a Child to Camp Fund** as an opportunity for caring individuals and organizations who also believe in the value of camp to support camp scholarships

Camp celebrates diversity and promotes tolerance. It holds a mirror up so children can see, no matter their color, gender, or socio-economic circumstances, who they are is beautiful, inside and out.

Camp gives children the opportunity to meet children like them: who are on dialysis three times a week, who miss school because of lengthy hospital stays, who look the same because of the side-effects of medicines and on a happier note, children that have had a transplant – children that give them hope for the future!

Camp gets kids out in nature. Unplugged from the computer, the video games, the cell phone, they gain an appreciation for the natural environment and discover the wisdom and fun it has to offer.

ABOUT KIDNEY CAMP

**ONE
CAMP EXPERIENCE CAN
POSITIVELY CHANGE
A
CHILD'S
LIFE FOREVER.**

I agree to sponsor a child to attend Camp Shining Stars!
