

June 2026

Dear Friends:

The 25th Annual New Orleans Kidney Walk is Sunday, November 1, 2026, at the Shrine on Airline and we hope you will support this important event. The New Orleans Kidney Walk is the opportunity that brings the kidney community together for a day of kidney health education and to raise funds for NKFL programs and services. Local hospitals, transplant centers, nephrology offices, pharmaceutical companies, and other supporting businesses join together to share information with patients and walkers. Your sponsorship contribution of the New Orleans Kidney Walk will ensure we can continue our work that improves quality of life and positive health outcomes for kidney and transplant patients in Louisiana.

The National Kidney Foundation of Louisiana is revolutionizing the fight to save lives by eliminating preventable kidney disease, accelerating innovation for the dignity of the patient experience, and dismantling structural inequities in kidney care dialysis and transplantation. The NKFL provides vital patient and community services, conducts extensive public and professional education, advocates for patients through legislative action, and supports local kidney research to identify new treatments.

In addition to your corporate contribution, encourage your employees and their families to join our fundraising efforts. Participation in the Kidney Walk is a great way to promote teamwork among employees and their families. It demonstrates that your company wants to play an important role in supporting worthy, charitable causes in the local community.

After your review of the sponsorship opportunities, I look forward to answering any questions and giving you additional information that will result in your company selecting NKFL as one of the initiatives that they support. I can be reached at 504-861-4500 or by email at tracey@kidneyla.org. We look forward to your support in our efforts to help people affected by kidney disease and educating the public about the important need of organs for transplantation.

Sincerely,

A handwritten signature in black ink that reads "Tracey Eldridge".

Tracey Eldridge
Community Development and Programs Manager

Sponsorship/Partnership Opportunities
